

Ran Stark, MD, FACS

Plastic Surgery

StarkMD Plastic Surgery and Aesthetic Center

Philadelphia, PA

starkmdplasticsurgery.com

Dr. Ran Stark has extensive training in plastic surgery and is boarded in both general surgery as well as plastics and reconstructive surgery. He brought his skills to the Main Line when he opened his practice in 2020 and works hard to make patients look and feel their best. His warm bedside manner, attention to detail and desire to keep his techniques updated make him the number one surgeon for all your cosmetic needs. He has trained with the best body and facial plastic surgeons in the country and specializes in both facial surgery as well as breast and body for both men and women. Additionally, he has put together an amazing team of specialists in skin care, lasers and injectables. Follow him on Instagram @drstarkplasticsurgery.
